## Why support the Longhorn Band?

The Longhorn Band is the most recognizable student organization on the University of Texas campus. Sponsoring this tournament allows you to show your commitment to the Longhorn Band, Texas Football, The University of Texas, and the entire Austin community. The tournament is organized by Kappa Kappa Psi, a non-profit student service organization dedicated to the support and enrichment of the Longhorn Band. There is a tremendous amount of time and work that goes into supporting, moving, and feeding the nearly 400-member Showband of the Southwest - your support will help fund these activities, and in a fun way.

A list of sponsors, donors, and players will appear in the event program, the Longhorn Band Fall Newsletter, and the Longhorn Alumni Band "Call To"; both are biannual publications whose job is to keep our community up-to-date with the Longhorn Band's activities and allow for our previous members to check in with the organization they love so much.

Thank you for your interest and support of The University of Texas Longhorn Band and its pursuit of another successful season.
